Description

For sale is a modern apartment currently under construction in the growing area of Kaimakli. The apartment offers an internal space of 81.1 m² and will be ready in 2026. It is located on the fourth floor out of four in a well-designed building with energy efficiency rated A, ensuring comfortable living and lower energy costs.

The apartment features two spacious bedrooms and two bathrooms, providing a practical layout for individuals, couples, or small families. Large windows bring natural light into the contemporary living areas, and a thoughtful design maximizes every inch of space.

This project is eligible for a government subsidy.
